Who Qualifies

In Need

Potential homeowners may be dealing with poorly made, unhealthy or inadequate housing; unaffordable rent, homes inaccessible for their disabilities or damaged by natural disasters; or have other shelter needs.

Willingness to Partner

Selected homeowners contribute 150 hours of "sweat equity" helping build their own home and the homes of others in the program. This may also include classes in personal finances, home maintenance and other homeownership topics.

Ability to Repay

Habitat for Humanity offers an interest-free affordable mortgage. These mortgage payments cycle back into the community and help build more affordable homes.

We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the Nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to housing because of race, color, religion, sex, handicap, familial status, or national origin.
