Equal Credit Opportunity Act (ECOA) Notice

The attached ECOA notice should be provided to all applicants with the application for the Habitat homeownership program in order to communicate the right to require certain income information from applicants for the Habitat program.

Purpose and background: Because Habitat for Humanity homeownership and loan programs qualify as Special Purpose Credit Programs under the Equal Credit Opportunity Act, Habitat can request and consider certain information about income that other lenders may not be allowed to request and consider in connection with their loan programs without providing certain disclosures and options for the applicant to decline to provide that information.

Although federal law allows Special Purpose Credit Programs to request and consider this information to determine eligibility for their programs, the law does not explicitly provide an exemption from the disclosure.

Accordingly, in order to avoid any confusion by Habitat applicants about their rights and obligations to provide this information, we recommend that Habitat affiliates provide the customary disclosure together with the explanation for Habitat's right to consider that information in evaluating applications for the Habitat program. Please see the attached sample ECOA notice.

Affiliate instructions: The Habitat affiliate needs to fill in the address for the FTC regional office for the region in which the affiliate is located. To find the appropriate regional office for the FTC, please check the FTC website: <a href="https://example.com/regional-offices/regional-of

Provide two copies of the ECOA notice to the applicant with the application.

Each applicant and co-applicant, if any, should sign and date the ECOA notice to acknowledge receipt, and return the signed copy to Habitat with the written application.

Equal Credit Opportunity Act Notice

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The federal agency that monitors compliance with this law concerning this company is the Federal Trade Commission, with offices at the **Northwest Region**, **915 Second Ave.**, **Room 2896**, **Seattle**, **WA 98174**, or Federal Trade Commission, Equal Credit Opportunity, Washington, DC 20580.

You need not disclose income from alimony, child support or separate maintenance payment if you choose not to do so. However, because we operate a Special Purpose Credit Program, we may request and require, in order to determine an applicant's eligibility for the program and the affordable mortgage amount, information regarding the applicant's marital status; alimony, child support and separate maintenance income; and the spouse's financial resources.

Accordingly, if you receive income from these sources and do not provide this information with your application, your application will be considered incomplete, and we will be unable to invite you to participate in the Habitat program.
